

# Kolo Anti Ligature Kit

Anti-ligature kit for Kolo surface mounted luminaire

Semi Recessed

## Overview

A robust protective kit with polycarbonate bezel and tamperproof fixings. Meets the requirements for anti-ligature installations when used with a Kolo IP65 surface mounted luminaire

## Optics

- Photometric performance as standard Kolo 400mm diameter

## Body

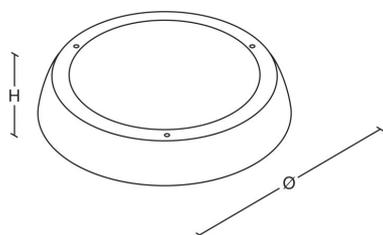

- To be used in conjunction with a Kolo IP65 400mm diameter white luminaire
- Luminaire to be specified separately (see Kolo IP65 web page)
- Retained by tamperproof fixing screws
- IP65 ingress protection (as standard Kolo IP65 luminaire)
- Injection moulded bezel
- Finished in white
- For Dept of Health Medium Secure Specification - see Kolo MSU Kit
